

MONTANA CHEMICAL DEPENDENCY CENTER POLICY AND PROCEDURE MANUAL

Policy Subject: Medical Emergency When Transporting Patients	
Policy Number: TRP 04	Standards/Statutes: ARM 37.27.130 MCA 53.24.208
Effective Date: 01/01/02	Page 1 of 1

PURPOSE:

To ensure safety of client(s) and staff while being transported in MCDC vehicles.

POLICY:

To provide that adequate precautions are taken when an medical emergency occurs during transporting of client(s) and staff.

PROCEDURE:

When it is safe to do so immediately pull vehicle to side of road, out of traffic, stop vehicle.

If it is a life-threatening situation or serious injury, using cell phone call 911 and request immediate medical assistance. Give a concise description of your location as possible.

If trained, perform appropriate first aid or CPR. First aid kit and CPR pocket mask are located in emergency supply box in vehicle.

At the appropriate opportunity call MCDC @ 496-5404 and inform them of the situation and your location.
